Issue No. 5 (Aug 2017)

*The future of cancer therapy***11 PATIENTS!**

The ROAM trial has 11 patients!

A big thank you and congratulations to the team at Addenbrooke's for recruiting their first patient!

CANCER RESEARCH

**ROAM-ing**

We now have 11 UK sites, 4 Belgian sites and 1 Austrian site open to recruitment and actively screening patients!

Overseen by EORTC, the submission to German and Swiss ethics committees will be made this month. The activation of all other identified sites is ongoing - be ready!

The TROG team in Australia are planning to open the first of their 11 sites imminently. We are looking forward to welcoming our new sites!

**ROAM Information Study**

We now have 18 patients consented to the ROAM Information Study - thank you to everyone for helping us achieve this!

**Check out our brand new 'Hints and Tips' sheet – informed by study results!**

Thank you to everyone who attended the ROAM Information Study workshop on 30<sup>th</sup> June! It was a great opportunity for staff at study sites to meet and have some very insightful discussions about optimal ways to discuss ROAM with patients. Please check out our new 2-page 'Hints and Tips' sheet that includes a handy six-step guide to help with recruitment, and top tips on talking about treatment equipoise to patients!

**Who is next?**

The race is on between King's College and Plymouth to become the 12<sup>th</sup> UK site open for ROAM!
